

**Servolution Health Services (SHS) is a Rural Health Clinic in the Speedwell area of Claiborne County, TN. SHS offers primary medical care, dental services and wellness services. SHS is seeking to hire a Licensed Clinical Social Worker (LCSW) approximately 20 hours per week. SHS is an approved National Health Care Service Corp loan repayment program site.**

### **Position Description – Licensed Clinical Social Worker (LCSW)**

**Status:** Contractual-20 hours per week

**Purpose of Position:** The LCSW will provide a continuum of mental health services by screening, diagnosing and intervening with at-risk patients.

#### **Primary Job Duties and Responsibilities:**

LCSW will be able to initiate, perform and complete the following with proficiency:

- **Assessment:** Be able to provide thorough assessment and evaluation of the client's current situation, stressors, and clinical therapeutic needs. This includes emotional, behavioral, and psychosocial assessments.
- **Interventions:** According to the client need, the LCSW will be able to provide individual, couple, family and group therapy to outpatient clients. The LCSW will be able to work with all patient populations, such as child, adolescent, adult and geriatric. Crisis intervention, brief-oriented therapy and long-term therapy will be provided as needed. Participate in clinical case staff meetings and in-service training programs
- **Medical Case Management:** Facilitate working with conditions from a physical or medical condition, as well as psychological
- **Documentation:** The LCSW will provide timely documentation for the assessment, diagnosis, treatment plan and progress notes in accordance with the SHS policies and procedures. The LCSW will be able to fully participate in quality assurance activities
- **Community activities:** Participate in community education and consultation services. Establish and maintain collaborative partnerships with community agencies
- **Provide field instruction and supervision for social work student placements.**

#### **Qualifications:**

- The Licensed Clinical Social Worker will have the minimum of a master's degree in social work from an accredited program, , plus a current license in clinical social work with the Social Work Licensure Board with the state of Tennessee Board of Health.
- The LCSW will maintain a professional code of ethics at all times

**Position Requirements:**

- Must have a cooperative, caring attitude
- Must be able to provide crisis intervention (including risk assessments and counseling) to patients with OUD/SUD
- Must utilize resources to address social and emotional factors related to the patient's health care problems, as well as provide counseling and behavioral/mental health treatment services to all patients.
- Strong interest or quality experience in working with an interprofessional team to promote patient health and recovery.
- Must ensure individualized treatment plans are completed in a timely manner.
- Must enjoy the opportunity to work alongside physicians and other healthcare professionals.
- Excellent written and oral communication skills, including preparation of narrative reports.
