

Servolution Health Services, Inc. (SHS) serves all patients regardless of their insurance or financial status. No one will be denied services due to inability to pay. We offer discounted medical services through a sliding fee schedule to patients who qualify based on household size and gross income.

SHS staff is available to assist patients in determining if they are eligible for our Sliding Fee Options. Patients **MUST** show most recent proof of income for all family members/individuals living in your household; examples of accepted written documents include:

- Previous year’s 1040 tax form
- One month of pay stubs
- Unemployment stubs/Award Letter
- Food Stamp Approval Letter
- Copy of Social Security or Disability Check/Letter
- Letter from an employer that states your salary or wages
- Child Support, Alimony
- Pension, Retirement, Annuity
- Veteran’s Benefits
- Military Family Allotments
- Any support provided by relatives and friends.

* If proof of Income is not provided for all household members, your application will not be processed.

Discount Levels for those who qualify are shown below:
